

On behalf of the National Network of Consultants to Grantmakers, we invite you to take advantage of a special opportunity at our upcoming Annual Meeting on Sunday, April 10th from 4:00 – 6:00 p.m. during the Council on Foundations conference in Washington, DC.

The Annual Meeting will include the official launch of NNCG’s new Strategic Plan.

We also hope we can include you or your firm as a sponsor of the Annual Meeting. In return, we will list you along with your logo, website and tagline in the event program and on-line. We anticipate a great deal of visibility for our Annual Meeting sponsors among grantmakers and key philanthropy support organizations.

Individual sponsorships are only \$250; firm sponsorships are \$500. So that we can be sure to include your information in our material, please return this form by April 1st.

On behalf of NNCG, we thank you for your support of our mission and work!
